## MALTA UNIVERSITY LANGUAGE SCHOOL

Dear Participants,

A warm welcome awaits you at Malta University Language School. On behalf of our academic team, as Head and Director of Studies, I am delighted to introduce you to our school and to assure you of our constant support while you are studying with us.

From the moment it was first founded in 1972, the mission of our school has always been to provide a professional and secure environment to enable course participants to reach their full learning potential. Being a small and caring school, we have the luxury of getting to know our learners as individuals.

Malta University Language School is centrally located at the University Residence in Lija. This small town is both charming and safe and its location makes it ideal to explore neighbouring towns and various places of interest.

Being the only school in Malta that is owned and validated by the University of Malta, we are committed to high standards. Our dynamic teaching staff comprises of Cambridge qualified (CELTA and DELTA) teachers who are trained to deliver engaging and motivating lessons to ensure maximum participation in the classroom.

As the Director of Studies, I invite you to join us at Malta University Language School with the full confidence that we will empower you to take your English learning to the next level whilst making sure your stay in Malta is an enjoyable and memorable one.

*Jean Bonnici*

Director of Studies and Head of School

# ENGLISH LANGUAGE DEVELOPMENT AND DIGITAL SKILLS FOR TEACHERS AND STAFF WORKING IN SCHOOLS

A1/A2

## Course summary

This course is for teachers and other staff working in schools who wish to improve their English language skills and enhance their fluency. Participants will take part in discussions, pair-work and group work activities in the classroom. The afternoon lessons focus on conversation and allow participants to develop the key skills necessary for effective communication. One afternoon session will be a workshop dedicated to enhancing digital skills for use in the classroom. An interactive communicative approach is applied. This provides participants with their own experiential learning through activities and methodologies presented. This course is eligible for Erasmus plus funding.
